

## Prof. **Billy Ehn**

Billy Ehn is Professor of Ethnology at the Department of Culture and Media Studies at the Umeå University, Sweden.

His research interests include ethnographic and cultural studies, based on field work in various environments, in the former Yugoslavia, in Poland, at a pharmaceutical plant and at various preschools in and around Stockholm. He has published books in different fields of research, for example immigration and ethnicity, work and leisure, family life and socialization and the culture of Academia. He is the co-author of the book *The Secret World of Doing Nothing* (2010, with Orvar Löfgren).
